

2025 Career Exploration Day

Date: Friday, April 25, 2025
Time: 9:30 am to 1 pm (lunch included)
Location: Northampton Community College – Pocono Campus
2411 Rt. 715
Tannersville, PA 18372

Free and open to Monroe County high school students

*Students don't need to be NCC-bound to attend.

High school students from throughout Monroe County have the opportunity to attend varied career pathway panels of local professionals and educators. Sessions will discuss what the career field is like, insights presenters have about their own career paths, and what it takes in terms of education and experience to get into those careers.

Students will be able to attend 2 sessions to learn about different career paths, as well as an employer expo. Students **must register in advance** and indicate up to 3 preferred career areas from the following options (preferences not guaranteed):

- | | |
|--|--|
| 1) Arts/graphic design/visual communication | 10) Environmental Science and Meteorological Studies |
| 2) Sciences (Biology & Chemistry) | 11) Entrepreneur (separate from Business room) |
| 3) Business management | 12) Exploratory |
| 4) Media communication & writing | 13) Nursing |
| 5) Computer Science/ Computer Information Technology | 14) Other Health Sciences |
| 6) Construction Management | 15) Psychology/Sociology/Social Work |
| 7) Criminal Justice and law | 16) Technology (electrical tech, HVAC, welding, etc. |
| 8) Education (teaching, guidance counselor, etc. | |
| 9) Engineering/Surveying | |

Examples of careers in these fields are listed on the back of this page.

Contact your guidance counselor for registration information!
Limited to 50 students per high school!

Registration Deadline: April 11, 2025
No walk-in registrations!

Many thanks to our 2025 Career Exploration Day sponsors:
